## PowerSchool Student and Parent Portal Start Page

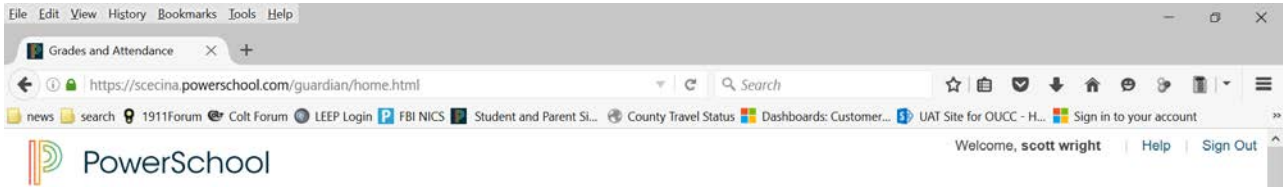

When you sign in to the PowerSchool Student and Parent portal, the start page appears. This page serves as the central point from which you begin your PowerSchool Student and Parent portal session. The start page consists of the following main areas:

- [Header](#)
- [Navigation toolbar](#)
- [Navigation menu](#)

The screenshot shows the PowerSchool Student and Parent Portal interface. The user is logged in as 'Grace'. The main content area is titled 'Grades and Attendance: [redacted]'. Below this title are two tabs: 'Grades and Attendance' (selected) and 'Standards Grades'. The main data table is titled 'Attendance By Class' and displays attendance records for various courses.

## Navigation Toolbar

The navigation toolbar appears at the top of the start page, and is common to every page in the application. The navigation toolbar includes the following information:

Field	Description
<p>[Student Tabs]</p> 	<p>The first names of the students associated to your parent account appear in alphabetical order. Click the name of the student for whom you want to view information. The page refreshes and display information for the selected student. For more information, see <a href="#">Account Preferences</a>.</p> <p>If you click the name of a student and the message “Student information is not available at this time.” appears, contact your school’s PowerSchool administrator.</p>
<p>[MyData Button]</p> 	<p>Click to download your students’ data, including grades and attendance, in an XML-formatted file that you can store on your computer and use it in other applications, providing a comprehensive view of your students’ learning profile throughout the students’ educational career. The MyData button is a joint project between the Office of Educational Technology and the White House Office of Science and Technology Policy that, among other goals, allows access to student data in order to create a personal learning profile that is easily portable.</p> <p><b>Note:</b> This button may not appear if the school has not enabled it.</p>
<p>[Notifications Button]</p> 	<p>Click the exclamation point to access the Notifications pop-up. The Password Security section displays the date and time of the last time you signed in appears when you hover over your name. This information can be used to alert you to any unusual account activity. If you experience any unusual account activity, report it to your school.</p>
<p>[Printer Button]</p> 	<p>Click to print a printer-friendly version of the page you are viewing. Additionally, the page includes the name of the selected student and the school and school district for that student.</p>
