Scecina Memorial High School Agreement

In cooperation with parents, Scecina Memorial High School agrees to provide a quality high school education to the best of its ability.

School rules published in this handbook are subject to change as may be needed to ensure continued compliance with federal, state or local regulations. They are subject to such review and alteration as becomes necessary for the routine operation of the school. Not all rules of behavior can be written and inserted in a handbook; however, we expect all students to follow reasonable rules and not violate the rights of others.

We ask that parents agree that they and their son or daughter will comply with all policies, rules, and regulations of Scecina Memorial High School, as stated in this handbook. It is understood that parents and students will read the handbook carefully and in its entirety before signing this agreement.

The School will make every reasonable effort to provide a safe environment. Parents are to accept that no matter the precautions taken by the School there is no way to fully assure that such measures will be successful in preventing injury, exposure to a contagion, or illness. Parents understand that by allowing participation in Catholic school ministry and its extra-curricular activities, there is some assumed risk on behalf of students and their parents.

We ask that parents also reinforce to their child(ren) the need to maintain all expected protocols related to his/her health and that of others.

United in the mission of the Catholic Church, we all will work collaboratively to make sure shared spaces are as safe and secure as possible for participants in all ministries.

Acknowledgement of Agreement

Please use this link to signify that a parent for the Scecina student, as well as the Scecina student, has read and agrees to the information contained within this handbook (submitting once per family is sufficient). [This is to be completed by Friday, August 20, 2021.](#)

SCECINA MEMORIAL HIGH SCHOOL

Father Thomas Scecina Memorial High School was named after the only Indianapolis archdiocesan priest to be killed in World War II. Born in Vicksburg, Indiana, on September 16, 1910, Thomas Scecina was raised by Austrian-Hungarian immigrants in Linton. He attended St. Peter's Elementary School in the parish where he was baptized. He went to St. Meinrad Seminary, graduated in 1935, and was ordained on June 11. Fr. Tom celebrated his first Mass at St. Peter's on June 16, and then was assigned in August to Holy Trinity parish in Indianapolis.

In 1938, Fr. Tom began a stay at St. John's in Indianapolis, where he also taught at the girls' academy. He enlisted in the Chaplain's Reserve Corps on October 5, 1939 and was stationed with the 57th Infantry Division at Fort McKinley on Luzon in the Philippine Islands. Fr. Tom served both the men of his unit and the Filipinos in sacramental duties until the fall of the Islands in 1942. He was taken prisoner in April, and on April 9 began his participation in the infamous Bataan Death March. He was a POW of the Japanese government at two camps: O'Donnell and Cabanatuan. Then he volunteered to work a burial and cemetery detail while also ministering to all the prisoners' spiritual needs.

In fall 1944, the Japanese prepared to transfer all POWs to the Philippines mainland to work as slave labor, a practice against the Geneva Convention. Fr. Tom boarded one of the first ships to move, the *Arisan Maru*, and endured two weeks of torture before an American submarine unknowingly torpedoed the ship. In the final hours, Fr. Tom heard confessions, gave absolution, and comforted his men, as he became one of 1,792 men to die in the worst maritime disaster in United States History.

For his heroism, Fr. Tom posthumously received the Purple Heart, the Silver Star, and the Bronze Star. In addition to these many other honors, Father Thomas Scecina Memorial High School opened in his memory in 1953.

HISTORY OF SCECINA MEMORIAL HIGH SCHOOL

In 1952, there was sufficient need and desire for a Catholic co-educational high school on the Eastside of Indianapolis. A plot of land at 5000 Nowland was purchased in conjunction with a successful 1-million-dollar fund drive, and on August 21, 1952, ground was broken, with the cornerstone being laid on December 21, 1952. On September 21, 1953, regular classes began for 128 freshman girls and 127 freshman boys under Fr. Harry Hoover, who as founding principal had overseen the construction of the school.

The dedication of the school to Father Thomas Scecina, the only archdiocesan priest to give his life for his country in World War II, took place on October 18, 1953. The first graduating class of 219 students graduated in June 1957, and within a decade, Scecina grew to a school of 1,400 students.

After Father Hoover retired in 1969, Father Joseph McGinley succeeded him. Mr. William Kuntz was assigned the post in 1972, and Sister Hortense Fougousse was principal for the 1973-74 school year. Mr. Raymond Riley was appointed principal in 1974 and held the position until June of 1986, when Mr. Larry Neidlinger took the reins. Mr. Neidlinger retired in 1995, a few months short of his death, and Mr. Stephen Papesch became principal from 1995-2000. Mr. Rick J. Ruhl joined the Scecina family as principal during the 2000-2001 school year. In July of 2005 Mr. Tom Davis became principal. Mr. John Hegarty served as principal from July of 2011 until July of 2017. In July 2017, Dr. Joseph Brettnacher served as principal until July 2019. Mr. David Dellacca became interim principal in July 2019, became principal in May 2021, and serves as principal today.

During the 1999-2000 school year, Mr. Keith Marsh was hired as Scecina's first President. Dr. Kevin Caspersen, became President in July 2004. Mrs. Maribeth Ransel became Interim President in 2007, and Mr. Joe Therber is the current President.

In August 2003, Scecina Memorial High School proudly opened its doors for its 50th anniversary year. Scecina is the first archdiocesan high school in Indianapolis to reach this historic milestone. In October 2003, many of the Franciscan Sisters who first staffed the school, along with other former teachers, administrators, and alumni were invited to a very special all-school Mass. Nearly 80 of Father Thomas Scecina's surviving relatives attended that Mass and held a family reunion on the Scecina campus. Throughout its first 50 years, Scecina has continued its tradition "to give that little extra". With great gratitude and reverence for its past, Scecina looks forward to another 50 years of changing lives in its crucial ministry of educating spirit, mind, and body.

CATHOLIC THEOLOGY STUDIES PROGRAM

Scecina exists because of our faith in Jesus Christ and His Church. Teachers at Scecina Memorial High School know

they share in the ministry of Jesus Christ; His ideals and teachings underlie whatever subject matter they may teach. The school strives to reflect its namesake, Father Thomas Seccina, and seeks to produce graduates who will be fine Christians and dedicated citizens. Catholic Theology classes help to examine the specifics of religious belief. Teachers present material under the guidelines and qualifications required by the Office of Catholic Schools of the Archdiocese of Indianapolis and the framework given by USCCB. Catholic Theology is a required annual course for all students attending Seccina. All students **must** pass Catholic Theology each semester they are enrolled. A failing grade in this course, per semester, will earn the student additional work to make-up for the failed semesters.

Catholic School Mission Policy Statement **Archdiocese of Indianapolis**

The following statements were developed to share with families the benefits of Catholic education, formation, and to encourage the continued embrace of our collective mission.

1. The primary purpose of a Catholic school education is to form students in the values of Jesus Christ and the teaching of the Catholic Church.
2. Catholic schools are distinctive religious education institutions operated as ministries of the Catholic Church; they are not private schools but are administered and supported by the sponsoring parish(es), the archdiocese, or a religious community.
3. Attending a Catholic school is a privilege and a choice, not a right. As such, we welcome you as a member of our school family who is committed to the mission of our Catholic school. We are grateful that you, as the first teacher of your child, choose this Catholic school!
4. While academic excellence and involvement in extracurricular activity (i.e., sports, clubs, etc.) are important, fidelity to the Catholic identity of the school is a fundamental priority. We strive to integrate our faith into all aspects of our school culture and curriculum.
5. The school and its administration have the responsibility to ensure that Catholic values and moral integrity permeate every facet of the school's life and activity. Such is reflected in our policies, practices, and protocols.
6. In all questions involving faith, morals, faith teaching, and Church law, the final determination of admission in our Catholic schools rests with the Archdiocesan bishop.

As a parent/guardian desiring to enroll my child in a Catholic school, I pledge support for the Catholic identity and mission of this school and by enrolling my child, I commit myself to uphold all the principles and policies that govern a Catholic school. In turn, I understand that we are now part of a Catholic school family that will do all they can to help in the formation and education of my child.

CAMPUS MINISTRY PROGRAMS

LITURGICAL MINISTRY

In keeping with the traditions of our Catholic faith, Seccina offers all-school Mass for its students, faculty, staff and larger community. Students can assist with preparation of these Masses through a variety of liturgical ministries. The Director of Campus Ministry will provide a more detailed description of each ministry as well as sign-ups for each at the beginning of the school year.

SENIOR RETREAT - CHRISTIAN AWAKENING

Most seniors take advantage of the Christian Awakening Retreat, an opportunity to examine moral strengths, the student's relationship with God, and future goals.

All seniors are encouraged to attend one of the Senior Retreat opportunities.

CHRISTIAN SERVICE PROGRAM

Fr. Thomas Seccina was a man dedicated to service—first as a parish priest and then as a United States Army chaplain. By following the example of Jesus, Fr. Tom spent his entire life serving others, even until his untimely death at sea as a Prisoner of War during World War II. We ask students to follow in his footsteps by completing service during each of their four years at Seccina Memorial High School.

The Director of Campus Ministry will provide students and parents with the expectations and procedures for completing service during the school year.

ACADEMIC POLICY

The Grade Point Average (GPA) for each semester is determined by dividing honor points earned for all classes taken by the total number of credits attempted.

This is a school-wide grading scale approved by the Board of Directors.

GRADING SCALE

93-100.....	A
85-92.....	B
77-84.....	C
70-76.....	D
0-69.....	F

CUMULATIVE GRADE POINT AVERAGE

The Cumulative Grade Point Average is determined by dividing the total number of honor points awarded for each final grade of a semester and earned during regular semesters by the number of credits attempted. Summer school and other recovery credits, as well as college credits, are recorded on the permanent record and are used to determine the grade point average. High school courses taken at the middle school level at an accredited school are recognized as high school credits; however, the final grade awarded for the course will appear on the student's permanent transcript and will be considered in the determination of credits required by the State of Indiana for graduation.

CLASS RANK

The Cumulative Grade Point Average determines a student's class rank.

HONOR ROLL SCALES

The High Honor Roll is determined each quarter and/or semester by including all students with a 3.5 GPA for that grading period. Students with a 'C' or lower in any class cannot be on the High Honor Roll. The Honor Roll is determined by including all students with a 3.0 GPA for that grading period. Students with a 'D' or 'F' in any class cannot be on the Honor Roll.

<i>STANDARD SCALE</i>		<i>WEIGHTED SCALE</i>	
Grade	Honor Points	Grade	Honor Points
A.....	4	A.....	4.5
B.....	3	B.....	3.5
C.....	2	C.....	2.5
D.....	1	D.....	1.5
F.....	0	F.....	0

Some classes offered at Scecina Memorial High School are weighted, require additional work, and serve to challenge students to extend themselves. Each earns an additional half honor point.

SCHEDULE CHANGE

All classes are subject to availability. The student will be notified if the course requested is not available. Course changes will be made only for the following reasons: (1) academic misplacement as determined by classroom teacher, division chair, and administration, (2) medical hardship, (3) to maintain enough credits in required classes, (4) correction of school-based errors (clerical or administrative), (5) fulfillment of graduation requirements. **Schedule changes for the above reasons may only be requested during the first two weeks of each semester.**

PROGRESS REPORTS

At the mid-point of each grading period, a progress report will be emailed to parents of all students. We encourage parents to reach out to teachers at any time with questions regarding your child's grades.

STUDENT WITHDRAWALS

Students who withdraw from Scecina Memorial High School, for whatever reason, must have a withdrawal form completed by a parent and signed by an administrator. These forms can be obtained from the Admission's Office. Parents will receive, at the time of withdrawal, a copy of the withdrawal form and a copy of the student's current schedule. Official records will be sent to the student's new school upon request of the School Counseling Department. Official records and transcripts will not be released if the family has an outstanding balance on tuition or fees.

COURSE POLICY

A senior that is three or more credits short of the requirements of Scecina and the State of Indiana at the time of graduation may not receive a diploma or be allowed to participate in commencement exercises. Seniors who are one or two credits short may make these up in the summer session of the graduating year. Seniors in this situation will be allowed to participate in commencement exercises; however, the diploma will be held until proof of completion and final passing grade is returned to the School Counseling Department.

Failure of a subject required for graduation will need to be made up in summer school.

Students who transfer into Scecina Memorial High School and who have failed courses in their previously attended schools may be enrolled in comparable courses at Scecina to make-up these classes depending on course availability.

All required courses must be attempted at Scecina Memorial High School. Courses, which need to be made up, and/or electives may be accepted from other schools with permission of the Principal or the Director of School

Counseling.

All students are required to pass a minimum of two (2) years of a single world language to graduate from Seccina Memorial High School. Students in the Learning Differences Program not meeting this requirement may be eligible for a waiver based on the decision of the student's case conference committee.

LEARNING DIFFERENCES PROGRAM

This program is for students with special educational needs. To participate in the program, the public school district must first assess the student's need for special education services. The assessment results indicating the need for special education services must be current to qualify for accommodations at Seccina Memorial High School. If, based on the assessment results, a student qualifies for special education services the student is placed in the Learning Differences program. The Director of the Learning Differences program assists the student's other teachers by functioning as a resource to accommodate the student's learning needs.

ARCHDIOCESAN POLICY ON EARLY GRADUATION

High school seniors shall graduate from the Catholic Inter-Parochial High Schools of the Archdiocese of Indianapolis after they have earned the credits required by the State of Indiana, the given high school, and after they have completed eight semesters of attendance at said high school.

Pupils who transfer into an inter-parochial high school within the Archdiocese of Indianapolis will be expected to earn credits required by that high school from the moment they enter. Requirements are not retroactive, except as mandated by state law; Indiana State Law requires so many credits of health and physical education, whereas some other states do not.

Should a senior decide to leave a given high school at the seventh semester to make up the last few credits at an evening school, the inter-parochial high school from which the student has withdrawn shall not issue a diploma to that person. Such withdrawal is to be considered a transfer.

COLLEGE ADMISSIONS

Current students submitting college applications must register with Indiana e-transcript service (www.parchment.com). The student must create a free account to have his/her transcript sent electronically to colleges nationwide. Students will need to request a transcript through e-transcript when applying and again upon graduation.

STUDENT RECORDS

All student records are kept confidential and accessible only to authorized school personnel for legitimate educational purposes. Student records consist of educational files and grade transcripts. Scecina Memorial High School maintains an educational file on each student enrolled. Each file contains records forwarded by the student's former school, registration forms, immunization records, current transcript, and any other personal information which the school might acquire regarding the student during his/her attendance at Scecina. **Proof of immunizations required by state law must be on file for the student to remain in school.** The educational records of students who withdraw from Scecina prior to their graduation date are saved for the remainder of the academic year; however, the transcript is retained permanently. All educational files of graduates are destroyed one year after the graduation date.

Transcripts are records of a student's final semester grades and standardized test scores for the period that he/she is enrolled at Scecina. A student's total credits earned, class rank, graduation date, diploma type, and grade point average (G.P.A.) are also recorded on the transcript. Transcripts are permanent records.

When a student transfers from Scecina to another high school, a copy of his/her transcript and proof of required immunizations by the Indiana State Department of Health are necessary for enrollment. For a student to graduate, an official copy of the transcript must be on file at the new school. An official copy is one on which our school seal has been imprinted, and a school official's signature appears. Upon written request from the proper school authority, the official copy may be mailed or hand-carried in a sealed envelope if the following criteria are met:

- Parent/guardian has officially withdrawn the student from Scecina.
- Tuition account or any outstanding financial balances are current.

TECHNOLOGY USE – ETHICAL AND RESPONSIBLE USE OF TECHNOLOGY

Our decisions in the implementation of technology are founded in our Faith and our mission to ready students for the world.

Through the ethical use of technology resources, students receive instruction on the proper use of digital information and services. Faculty and staff receive benefits by providing that instruction, ultimately enhancing their effectiveness

as Catholic school educators and role models.

The Ethical and Responsible Use of Technology Policy (ERUTP) for Scecina Memorial High School is written with input from the Office of Catholic Schools in the Archdiocese of Indianapolis, Scecina's Board of Directors, students, staff and members of the Scecina Technology Committee. The policy is a part of the registration process for Scecina Memorial. The complete policy can be found on the school's website at <http://www.scecina.org/technology>.

The ERUTP contains a student pledge providing expectations, rules, and procedures for students to follow while using technology and related services designed for the Scecina Memorial High School community. In accordance with the student handbook, the expectations, rules, and procedures apply to students while they are on or off campus and while they are utilizing school or non-school owned technology. The scope of expectations includes matters pertaining to privacy, warranties, theft, vandalism, and consequences for misuse of technology resources. The ERUTP includes a copy of the agreement forms that students and parents are to review and sign during the registration process.

Students and staff are to honor the following expectations while using any technology resource (hardware, software, and services) provided by or licensed for Scecina:

ATTENDANCE POLICY

Seccina Memorial High School considers the development of good attendance habits and punctuality as a vital and desirable undertaking. It is difficult for students to learn if they are not in class. The teaching-learning process builds upon itself. Research shows that educational achievement is directly related to attendance. Reading the material and performing satisfactorily on tests does not compensate for the loss of insight gained during class discussion, explanation, or supervised activities. Furthermore, every student contributes to every other student's learning; therefore, a student who is absent adversely affects a student who is present. A student who misses a day of school misses a day of education that cannot be retrieved in its entirety. It is imperative that students be in attendance each school day in order not to miss a significant portion of their education.

SMHS is also concerned about helping students develop a high-quality work ethic, which will be a significant factor in their success with future employers. One of the most important work habits that employers look for in hiring and promoting a worker is his/her dependability in coming to work every day and on time. This is a habit SMHS wants to help her students develop as early as possible in their school careers.

The responsibility for the student's regular and punctual attendance to school and to class rests with the student and his/her parents or guardian. Only with parental support of this policy can students hope to develop responsible attendance patterns.

A student has one calendar day for each calendar day missed to make up work. It is the responsibility of the student to find out what work was missed. Although teachers may notify students of missed work, it is the obligation of the student to ask.

School policy does not provide for any extension of Fall Break, Spring Break, or Christmas Break. The day(s) immediately preceding and following breaks will count towards the student's total. The student may be in jeopardy of losing credit for class/classes if attendance totals are exceeded.

ABSENCE PROGRESSION (PER SEMESTER)

On the student's 5th and 6th unexcused absence from each class, notice from the Dean of Students will be sent home.

On the student's 7th unexcused absence from each class, the student will be placed on an attendance probationary contract for the remainder of the semester and the parent/guardian will be notified by the Dean of Students.

On the student's 9th unexcused absence from each class, the student will not receive credit for the class and may lose his/her work permit.

TARDY PROGRESSION: (Period 1(R) or 1(G))

Students arriving late to school must proceed directly to the main office to receive a pass into their 1st period class. Students will be given 4 exempted tardies during the course of each semester to 1st period, (overslept, car trouble, traffic problems, etc.) After the 4th tardy, all tardies to 1st period are unexcused and the below progression will be followed.

Students will not be permitted into 1st period late without a pass. Any student arriving late to class for more than half of scheduled class time will be considered absent unexcused for that period.

If a student has a medical appointment, the student will not be penalized providing that the student submits evidence of attending the appointment upon arriving at school.

TARDY PROGRESSION: (After 1st Period)

On a student's 1st, 2nd, and 3rd unexcused tardy, the teacher will notify the student and make a notation in his/her grade book.

On a student's 4th, 5th, and 6th unexcused tardy, the student will be referred to the Dean of Students and will receive a Dean's detention. The Dean of Students will communicate with the student's parents or guardians to ensure that they are aware of the undesired behavior.

On a student's 7th unexcused tardy, the student will serve a Dean's detention and will be placed on an Attendance Contract. If a student has previously been issued a work permit, the permit may be revoked.

On a student's 9th unexcused tardy, the student will not receive credit for the class in which the 9th tardy has occurred. The Dean of Students and the Principal or President will review the student's attendance record and if tardies have accumulated in other courses, the student may no longer be eligible for enrollment at Scecina.

CODE OF CONDUCT

DRUG AND ALCOHOL USAGE

Seccina Memorial High School believes that students deserve the guidance and education needed to become the persons that God created them to be. Drug and alcohol use have serious detrimental effects on the intellectual, physical, and moral development of adolescents and young adults. The impact of these effects can last many years over the course of one's life. At Seccina, we recognize that prevention and intervention of drug and alcohol use is an important part of our ministry to educate students in spirit, mind, and body. The purpose of this policy is threefold: (1) to provide for the health and safety of students; (2) to undermine the effects of peer pressure by providing a legitimate reason for students to refuse to use illegal drugs and alcohol; and (3) to encourage students who use drugs and alcohol to participate in treatment programs.

PROHIBITION OF DRUG AND ALCOHOL USE

It is a violation of the disciplinary code of Seccina Memorial High School to possess, provide to another person, use, or be under the influence of any substance, which is or contains any banned substances. Non-alcoholic beer and wine substitutes and drug look-alikes and substitutes are also in violation of the disciplinary code. **All prescription drugs and over-the-counter medicines must be properly labeled and turned into the main office for storage and distribution. The office must have a signed *Permission to take Medication on file for student to take medication during the school day*.** This requires that they remain in the bottle or other container as originally dispensed from a legally authorized pharmacy or medical professional. Violation of any provision of this policy is a class three offense and may result in out of school suspension, exclusion, or expulsion. Whenever a student is impaired, he or she will be subject to the disciplinary code.

DRUG AND ALCOHOL TESTING

If a student consumes, possesses, or distributes alcohol or any illegal drug/banned substance before, during, or after any school activity, his/her parent/guardian must report to the activity to assume care of the student. A school representative will meet with the parent to inform him/her of the incident. The student must leave the activity with his/her parent/guardian. Reasonable cause also includes being in the possession of drugs, alcohol, drug paraphernalia, or any other materials intended for consumption, sale, or distribution of banned substances.

DRUG TESTING PROCEDURE

Administration has the right to perform drug and alcohol testing before, during, and after all school-sponsored activities. Parents will be notified of the testing. Notification may not necessarily be done prior to testing. Testing will be done by an approved agency. If a student tests positive for drug use, he/she may be subject to the provisions of the disciplinary code, which may result in suspension, exclusion, or expulsion. In any event, proof on enrollment of the student in a certified alcohol and/or drug assessment/evaluation program, approved by the school, must be submitted before readmission to school may be considered. Parents/guardians/students of legal adult age must give permission to the school to exchange information with the drug assessment/evaluation program and its counselors or other employees. The intent of this exchange is to ensure compliance and readiness to return to school. It is not intended to nor will be used to gain private or personal information revealed in counseling sessions. Students must follow the recommendations of the assessment/evaluation program. If the assessment/evaluation recommends a treatment program, the student must participate as a condition of returning to school. Continued attendance at school is based on reports to school officials by the treatment facility.

Seccina Memorial high school will pay the cost of a drug test initiated under reasonable cause provisions that come back negative for drug/banned substances use if the evaluation/assessment indicates no drug/alcohol dependency.

Any test that comes back positive will be at the cost of the parent/guardian. Any retesting will be done at the expense of the parent/guardian. Students participating in athletics are also required to comply with the provisions and policies of the athletic handbook.

VOLUNTARY DRUG TESTING

The expressed purpose of the drug and alcohol policy is to provide for the health and safety of students, to undermine the effects of peer pressure by providing a legitimate reason for students to refuse to use illegal drugs and alcohol, and to encourage students who use drugs and alcohol to participate in treatment. Seccina Memorial High School encourages any student who has used substances banned under this policy to seek help from the school voluntarily. Any student voluntarily asking to be tested and evaluated will not be subject to the disciplinary code and there will be no academic or disciplinary penalty. Parents/Guardians may also request voluntary participation. As long as the provisions of this policy are followed, the matter will be handled as a medical or health related issue.

Provisions for Voluntary Drug Testing

1. Parent is contacted and the student is given an on-site multi-panel drug screen, which is sent to a professional lab.
2. Student remains at school, unless impaired (if impaired, this becomes a disciplinary issue).
3. Parent must meet with an Administrator before the end of the school day, at which time the parent receives an informational packet.
4. The student and parent/guardian will schedule an assessment/evaluation appointment and provide the name and phone number of the evaluator as well as the date of the evaluation.
5. Before returning to school from the evaluation, parent/guardian and student must bring to Dean of Students the lab testing fee (regardless of whether it is positive or negative) and a signed Exchange of Information form. The Dean of Students will confirm the results of the evaluation and determine readiness to attend school.
6. Student and parents/guardians must follow the recommendations of the assessment/evaluation. Refusal or failure to complete the assessment recommendation, including any treatment recommendation, will revert/convert the case into a disciplinary matter.
7. The student will be referred to the school social worker and assigned to a school official that will act as a mentor.
8. The student will be subject to periodic random drug testing at Seccina at the parent's/guardian's expense.
9. Student faces no extracurricular suspension.
10. The social worker will send testing results to the assessment professional and will follow up to ensure that the assessment appointment and recommendations are kept and followed and schedules the next drug test.

Any student who admits to drug use because of any investigation by the school or law enforcement agencies or because of reports from another individual or individuals may not be considered as doing so voluntarily for the purposes of this policy. However, a student who demonstrates cooperation and honesty in such an investigation and inquiry may be offered some or all the terms of the voluntary drug testing provisions.

Any student who tests positive on a second or subsequent retest will be suspended from school with possible expulsion. Any retesting under any provision of this policy will be done at the expense of the parent/guardian.

Any student who tests positive for drug/alcohol use or whose evaluation indicates drug/alcohol dependency will be retested regularly for a period determined by the school as a condition of returning and/or remaining in school.

WORK PERMITS

As of July 1, 2021, potential employers of minors are solely responsible for the application and submission of a work permit for a minor. More information is available on the State of Indiana's Department of Labor webpage.

DRIVERS LICENSE

Public Law 121, 1989 states: "An operator's license or learner's permit may not be issued to a person less than eighteen (18) years of age who:

1. Has at least two (2) suspensions from school during the school year.
2. Has been expelled from school.
3. Has been identified as a habitual truant.

Students already having a driver's license may have their license invalidated for the above causes.

According to Indiana Code 9-1-4-20, a student whose license or permit has been denied or invalidated will be eligible for a license or permit or have the license or permit revalidated upon the earliest of one of the following events:

- A. The student becomes 18 years of age.
- B. 120 days after the student is suspended.
- C. 180 days after the person is expelled or excluded.

Any students whose license/permit has been invalidated by the State Bureau of Motor Vehicles may appeal to the Bureau of Motor Vehicles pursuant to Indiana code 9-2-1.

DRESS CODE

The purpose of the dress code is to encourage neatness and a sense of appropriate attire in each student, to render financial savings to the parents, and to be a symbol to the local community. All students will observe dress regulations before entering their first period classes, during the school day, and until after announcements concluded at the end of the day.
