

# Scecina Memorial High School 2021-2022 Health & Safety COVID-19 Protocol Summary

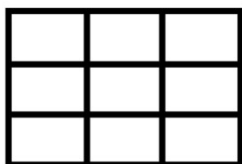

Seating in classes, cafeteria, Mass, and gym are set at least 3 feet apart

Staff or student experiencing two or more unexplained COVID-19 symptoms, must stay home until cleared.

Hand sanitizer, wipes, touchless faucets, water bottle filling stations remain in place with regular cleaning of high-touch areas

Seating charts are maintained in classes, Mass, lunch periods, and on buses

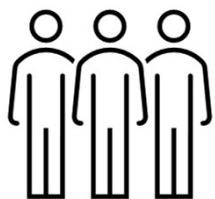

Only medically supervised COVID-19 test results are accepted by school

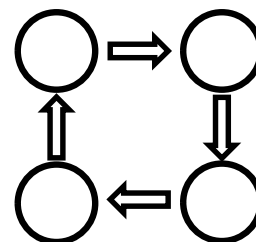

Masks are highly recommended for unvaccinated staff and students; required for everyone on busses

Daily symptom screening required for staff and students, twice a day if participating before/after school; visitors are screened prior to entry

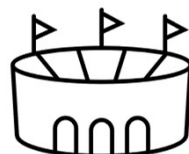

Visitors welcomed at Scecina, will complete symptom screening and may be required to wear a mask

Close contact defined as cumulative total of 15 minutes or more over a 24-hour period with a person who is currently positive for COVID-19

Athletes not required to wear masks during practice and contests, seating capacity at venue not limited by health restrictions
