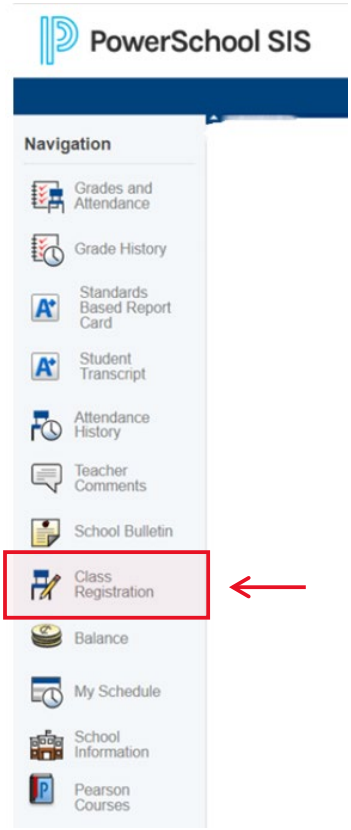
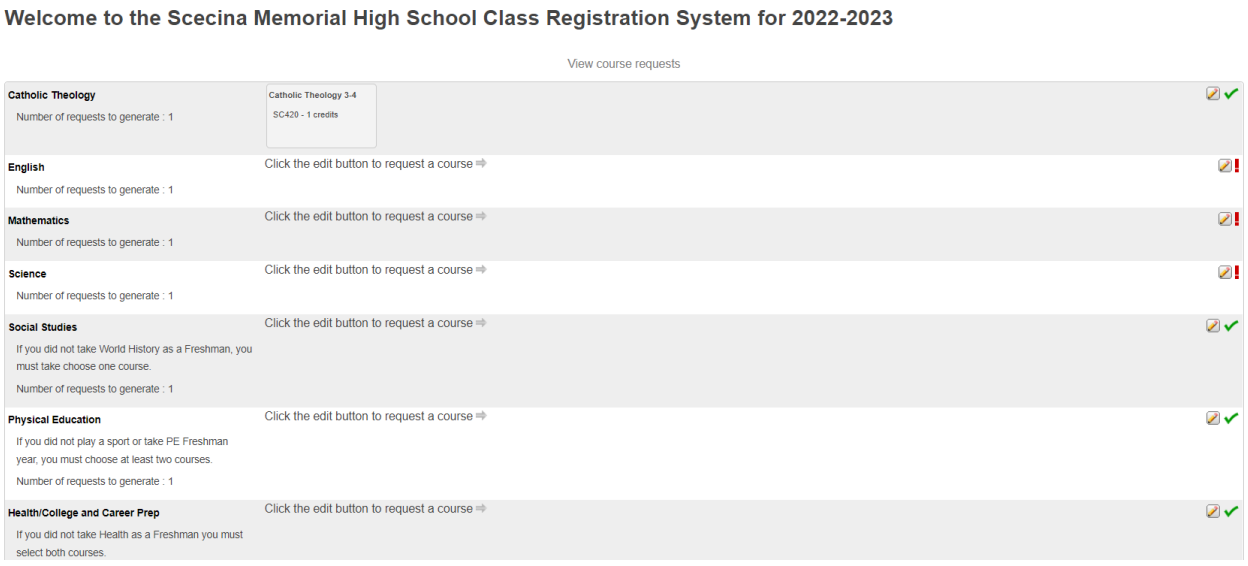
Scecina Memorial Course Requesting for 2022-2023 School Year

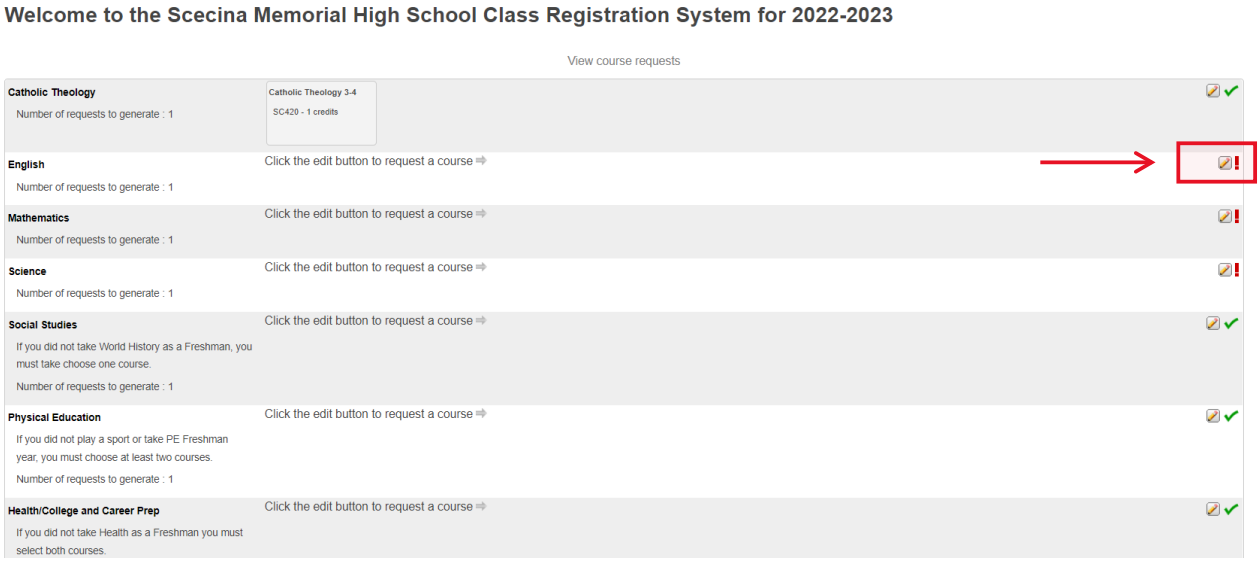
1. Log on to PowerSchool at https://archindy.powerschool.com/. Once logged in, click on Class Registration.



2. The screen that appears next is shown below:



3. Review all courses offered. Courses that are marked with an exclamation mark (!) as shown below, are required and students must select those courses to meet graduation requirements.



4. Students are required to select a total of 16 (sixteen) credits plus 2 (two) credits of alternates.
    a. School Counselors work to match course requests to a student's final schedule as best as possible.
    b. Alternates are placed into a student's schedule if the course requested is not available during the scheduling process. School counselors will ensure that all students are enrolled into required courses for graduation. Selected alternate courses should be truly desired and different from other courses requested.
    c. Once your courses are selected and you have the appropriate number of credits selected, select **Submit**.

5. Graduation Requirements Reminder for Students Seeking an Academic Honors Diploma (AHD)
    a. Student must complete four (4) years of math (8 credits earned in high school)
    b. Student must complete three (3) years of one world language (6 credits earned) or two (2) years of two (2) different world languages (4 credits earned in each of the two different world languages)
    c. Student must complete 1 (one) year (2 credits earned) in fine arts
    d. Student must complete 2 (two) AP classes (including attempting the associated AP test) OR 2 (two) Dual Credit course OR 1 (one) AP (including attempting the associated AP test) and 1 Dual Credit course
    e. Student must earn a cumulative Grade Point Average (GPA) of 3.0 at time of graduation
    f. Student must earn a letter grade of C or high in all courses that apply to the AHD.

Rising Seniors (Class of 2023) Required Courses:

Catholic Theology, English, Math, US Government & Economics (AP or Regular), a Science or World Language course.

Rising Juniors (Class of 2024) Required Courses:

Catholic Theology, English, Math, US History (AP or Regular), a 3rd Science course (must have successfully completed Biology, Chemistry or Physics or ICP & need a 3rd year science of your choice).

Rising Sophomores (Class of 2025) Required Courses:

Catholic Theology, English, Math (if student is in Algebra 1 student will choose Algebra 2, if student is in Algebra 2 student will choose Geometry), World History (AP or Regular) if student did NOT take World History 9th grade year, Science (if student is in Biology during 21-22 school year, student will take Chemistry or Physics or ICP in the 22-23 school year; if student is in Earth Space during 21-22 school year then student will take Biology in the 22-23 school year; if student is in Chemistry or Physics during 21-22 school year, student will choose any science for the 22-23 school year).

IMPORTANT NOTE CONCERNING FAILING GRADES AND SUMMER SCHOOL:

If a student earns a failing grade (F) in a CORE class (Catholic Theology, English, Math, Science, Social Studies), the student is required to attend summer school to recover the credits prior to the start of the 22-23 school year, during the summer school schedule. Students are to proactively reach out to a school counselor if that is of concern. Letters will be mailed home along with other communications made to ensure students and parents are aware of the summer school requirement. Not passing a class this school year could affect eligibility to play IHSAA sports in the following school year.
