## PHASE 1 CONSTRUCTION: START TO MAY 29

The first phase of construction on the athletic and activity fields and front entrance is planned to begin between April 3 – 30, 2023. This map details the construction zone and Phase 1 flow of traffic from the start of the project to approximately May 29. For your safety, please avoid the construction zone.

### **Student drop-off and pick-up procedures**

- The only student drop-off and pick-up option during Phase 1 is at Door 1 on Nowland Avenue.
- After dropping off or picking up a student, drivers should (a) depart promptly and safely to relieve congestion and (b) continue west on Nowland Avenue or turn left on Riley Avenue.
- The drop-off option near Door 3 will be closed during Phase 1.
- The driveway exit on the west side of the school building near the baseball field will be closed during Phase 1.

### **Student driver procedures (school days)**

- Student driver arrival and parking are unchanged.
- From 2:40 – 3:30 p.m. on school days, student drivers must depart through the temporary exit gate on the northeast side of the student parking lot and turn right or left on Elliot Avenue.
- This temporary exit gate will be open only for departures from 2:40 – 3:30 p.m. on school days.
- The driveway exit on the west side of the school building near the baseball field will be closed during Phase 1.

### **Visitor procedures**

- Visitor parking is available in the parking spaces immediately west of St. Francis Hall.
- To enter the school building, visitors are to buzz in at Door 1 on Nowland Avenue. To enter St. Francis Hall, visitors should ring the doorbell at the front (west) door of St. Francis Hall.
- The driveway exit on the west side of the school building near the baseball field will be closed during Phase 1.
