

Eileen Hurre Memorial Scholarship Fund

In January 2018, on Eileen Hurre's passing, family and friends decided to honor her by establishing an endowment in her memory. Eileen was a member of the "The Greatest Generation," a generation characterized by personal responsibility, duty, honor, and faith. In addition, she was a devoted wife, mother of eight Scecina graduates, and a fervent fan of Scecina and all its students. **This scholarship is to help a graduating senior attend a four-year college.**

To apply for this scholarship, submit an essay detailing the following:

1. Your accomplishments at Scecina, including academics, sports, and any extra-curricular activities you participated in.
2. Your goals for the future.

Please send essays no later than **February 19, 2024**, to: Elizabeth Millard, emillard@scecina.org.

A check in the amount of \$750 will be written and made payable to the student. The funding must be used for one or more of the following purposes:

- Tuition Assistance
- Housing
- Books or technology needs.

A committee including the principal, Catholic theology department chair, and athletic director will make recommendations of three to five students to the Hurre family, who will make the final decision. The recipient will be announced at Senior Awards Day.
