WELCOME TO SCECINA MEMORIAL HIGH SCHOOL

Dear Scecina Parents and Students,

Welcome to the 2024-2025 school year! I am honored to be part of the Crusader community and look forward to meeting and working with every family this year.

As a Catholic school, we are tasked with forming young men and women who will enrich society with the Good News of the gospel and use their God-given gifts to serve others. It is our privilege to communicate Christ and help form Christ in the lives of others.

We know the students at Scecina Memorial HS have great potential, and it requires every individual in their lives to purposefully work together for their success. We believe that close cooperation between our school and your home is essential for an engaging school year and welcome your participation and support this school year. We invite you to join us for as many school activities as you can.

The faculty and staff at Scecina Memorial HS are committed to praying for our school community! We are continually learning and growing through collaboration with all stakeholders as well as by engaging in professional development so that we have the necessary skills to empower our students to be successful.

The pages of this handbook are filled with important information regarding school policy and procedures. Its purpose is to provide a safe and effective atmosphere and to maximize student learning, both inside and outside of the classroom. Our “Code of Conduct” summarizes how students should conduct themselves for the good of the school and the community. Parents and students should review the contents together. Please note that each family needs to sign the Agreement page to certify that they have read this document.

You remain in my daily prayers...let’s have a fabulous school year!

Dr. Peg Dispenzieri
Principal

Scecina Memorial High School Agreement

In cooperation with parents and students, Scecina Memorial High School agrees to provide a quality high school education to the best of its ability.

School rules published in this handbook are subject to change as they may be needed to ensure continued compliance with federal, state or local regulations. They are subject to such review and alteration as becomes necessary for the routine operation of the school. Not all rules of behavior can be written and inserted in a handbook; however, we expect all students to follow reasonable rules and not violate the rights of others.

We ask that parents agree that they and their son or daughter will comply with all policies, rules, and

regulations of Scecina Memorial High School, as stated in this handbook. It is understood that parents and students will read the handbook carefully and in its entirety before signing this agreement.

Scecina will make every reasonable effort to provide a safe environment. Parents are to accept that no matter the precautions taken by Scecina there is no way to fully assure that such measures will be successful in preventing injury, exposure to contagion, or illness. Parents understand that by allowing participation in Catholic school ministry and its extra-curricular activities, there is some assumed risk on behalf of students and their parents.

We ask that parents also reinforce to their child(ren) the need to maintain all expected protocols related to his/her health and that of others.

United in the mission of the Catholic Church, we all will work collaboratively to make sure shared spaces are as safe and secure as possible for participants in all ministries.

Acknowledgement of Agreement

All families are asked to sign an acknowledge that they have read the handbook and understand its contents. The sign-off page can be found on the School Admin link.

Catholic School Mission Policy Statement
Archdiocese of Indianapolis

The following statements were developed to share with families the benefits of Catholic education, formation, and to encourage the continued embrace of our collective mission.

1. The primary purpose of a Catholic school education is to form students in the values of Jesus Christ and the teaching of the Catholic Church.
2. Catholic schools are distinctive religious education institutions operated as ministries of the Catholic Church; they are not private schools but are administered and supported by the sponsoring parish(es), the archdiocese, or a religious community.
3. Attending a Catholic school is a privilege and a choice, not a right. As such, we welcome you as a member of our school family who is committed to the mission of our Catholic school. We are grateful that you, as the first teacher of your child, choose this Catholic school!
4. While academic excellence and involvement in extracurricular activity (i.e., sports, clubs, etc.) are important, fidelity to the Catholic identity of the school is a fundamental priority. We strive to integrate our faith into all aspects of our school culture and curriculum.
5. The school and its administration have the responsibility to ensure that Catholic values and moral integrity permeate every facet of the school's life and activity. Such is reflected in our policies, practices, and protocols.
6. In all questions involving faith, morals, faith teaching, and Church law, the final determination of admission in our Catholic schools rests with the Archdiocesan bishop.

As a parent/guardian desiring to enroll my child in a Catholic school, I pledge support for the Catholic identity and mission of this school and by enrolling my child, I commit myself to uphold all the principles and policies that govern a Catholic school. In turn, I understand that we are now part of a Catholic school family that will do all they can to help in the formation and education of my child.

SCECINA MEMORIAL HIGH SCHOOL

Father Thomas Scecina Memorial High School was named after the only Indianapolis archdiocesan priest to be killed in World War II. Born in Vicksburg, Indiana, on September 16, 1910, Thomas Scecina was raised by Austrian-Hungarian immigrants in Linton. He attended St. Peter's Elementary School in the parish where he was baptized. He went to St. Meinrad Seminary, graduated in 1935, and was ordained on June 11. Fr. Tom celebrated his first Mass at St. Peter's on June 16, and then was assigned in August to Holy Trinity parish in Indianapolis.

In 1938, Fr. Tom began a stay at St. John's in Indianapolis, where he also taught at the girls' academy. He enlisted in the Chaplain's Reserve Corps on October 5, 1939, and was stationed with the 57th Infantry Division at Fort McKinley on Luzon in the Philippine Islands. Fr. Tom served both the men of his unit and the Filipinos in sacramental duties until the fall of the Islands in 1942. He was taken prisoner in April, and on April 9 began his participation in the infamous Bataan Death March. He was a POW of the Japanese government at two camps: O'Donnell and Cabanatuan. Then he volunteered to work at burial and cemetery detail while also ministering to all the prisoners' spiritual needs.

In fall 1944, the Japanese prepared to transfer all POWs to the Philippines mainland to work as slave labor, a practice against the Geneva Convention. Fr. Tom boarded one of the first ships to move, the *Arisan Maru*, and endured two weeks of torture before an American submarine unknowingly torpedoed the ship. In the final hours, Fr. Tom heard confessions, gave absolution, and comforted his men, as he became one of 1,792 men to die in the worst maritime disaster in United States History.

For his heroism, Fr. Tom posthumously received the Purple Heart, the Silver Star, and the Bronze Star. In addition to these many other honors, Father Thomas Scecina Memorial High School opened in his memory in 1953.

HISTORY OF SCECINA MEMORIAL HIGH SCHOOL

In 1952, there was sufficient need and desire for a Catholic co-educational high school on the Eastside of Indianapolis. A plot of land at 5000 Nowland was purchased in conjunction with a successful 1-million-dollar fund drive, and on August 21, 1952, ground was broken, with the cornerstone being laid on December 21, 1952. On September 21, 1953, regular classes began for 128 freshman girls and 127 freshman boys under Fr. Harry Hoover, who as founding principal had overseen the construction of the school.

The dedication of the school to Father Thomas Scecina, the only archdiocesan priest to give his life for his country in World War II, took place on October 18, 1953. The first graduating class of 219 students graduated in June 1957, and within a decade, Scecina grew to a school of 1,400 students.

After Father Hoover retired in 1969, Father Joseph McGinley succeeded him. Mr. William Kuntz was assigned the post in 1972, and Sister Hortense Fougerousse was principal for the 1973-74 school year. Mr. Raymond Riley was appointed principal in 1974 and held the position until June of 1986, when Mr. Larry Neidlinger took the reins. Mr. Neidlinger retired in 1995, a few months short of his death, and Mr. Stephen Papesh became principal from 1995-2000. Mr. Rick J. Ruhl joined the Scecina family as principal during the 2000-2001 school year. In July of 2005 Mr. Tom Davis became principal. Mr. John Hegarty served as principal from July of 2011 until July of 2017. In July 2017, Dr. Joseph Brettnacher served as principal until July 2019. Mr. David Dellacca became interim principal in July 2019, became principal in May 2021, and served as principal until June 2023. Dr. Peg Dispenzieri began her role as principal in July 2023.

During the 1999-2000 school year, Mr. Keith Marsh was hired as Scecina's first President. Dr. Kevin Caspersen, became President in July 2004. Mrs. Maribeth Ransel became Interim President in 2007. Mr. Joe Therber became President in 2008 and is the current President.

In August 2003, Scecina Memorial High School proudly opened its doors for its 50th anniversary year. Scecina is the first archdiocesan high school in Indianapolis to reach this historic milestone. In October 2003, many of the Franciscan Sisters who first staffed the school, along with other former

teachers, administrators, and alumni were invited to a very special all-school Mass. Nearly 80 of Father Thomas Scecina’s surviving relatives attended that Mass and held a family reunion on the Scecina campus. Throughout its first 50 years, Scecina has continued its tradition “to give that little extra”. With great gratitude and reverence for its past, Scecina looks forward to another 50 years of changing lives in its crucial ministry of educating spirit, mind, and body.

CATHOLIC THEOLOGY STUDIES PROGRAM

Scecina exists because of our faith in Jesus Christ and His Church. Teachers at Scecina Memorial High School know they share in the ministry of Jesus Christ; His ideals and teachings underlie whatever subject matter they may teach. The school strives to reflect its namesake, Father Thomas Scecina, and seeks to produce graduates who will be fine Christians and dedicated citizens. Catholic Theology classes help to examine the specifics of religious belief. Teachers present material under the guidelines and qualifications required by the Office of Catholic Schools of the Archdiocese of Indianapolis and the framework given by USCCB. Catholic Theology is a required annual course for all students attending Scecina. All students **must** pass Catholic Theology each semester they are enrolled. A failing grade in this course, per semester, will earn the student additional work to make-up for the failed semesters.

2024-2025 ACADEMIC CALENDAR

The Academic Calendar with the Red/Gold Day rotations can be found on Scecina’s website at: <https://www.scecina.org/Parents/> .

CAMPUS MINISTRY PROGRAMS

LITURGICAL MINISTRY

In keeping with the traditions of our Catholic faith, Seccina offers all-school Masses and class Masses for its students, faculty, staff and larger community. Students can assist with preparation of these Masses through a variety of liturgical ministries. All students, regardless of their faith tradition, attend class and all-school masses as part of the Seccina community of faith.

The Director of Campus Ministry will provide a more detailed description of each ministry as well as sign-ups for each at the beginning of the school year.

SENIOR RETREAT - CHRISTIAN AWAKENING

Most seniors take advantage of the Christian Awakening Retreat, an opportunity to examine moral strengths; the student's relationship with God, him/herself, and others; and future goals.

All seniors are encouraged to attend one of the Senior Retreat opportunities.

UNDERCLASS RETREATS

All students at Seccina are given the opportunity to attend a retreat each year. Freshmen and sophomore retreats are one-day retreats off-campus, led by Seccina staff and senior leadership. The junior retreat is an overnight, also led by Seccina staff and student leadership. Each retreat offers students an opportunity to connect with classmates and teachers, reflect on our Catholic faith and attend Mass.

CHRISTIAN SERVICE PROGRAM

Fr. Thomas Seccina was a man dedicated to service—first as a parish priest and then as a United States Army chaplain. By following the example of Jesus, Fr. Tom spent his entire life serving others, even until his untimely death at sea as a Prisoner of War during World War II. We ask students to follow in his footsteps by completing service during each of their four years at Seccina Memorial High School.

The Director of Campus Ministry will provide students and parents with the expectations and procedures for completing service during the school year.

ACADEMICS

The Grade Point Average (GPA) for each semester is determined by dividing honor points earned for all classes taken by the total number of credits attempted.

This is a school-wide grading scale approved by the Board of Directors.

GRADING SCALE

Letter Grade	Percentage	GPA	Weighted GPA
A	95-100	4.0	4.5
A-	93-94	3.67	4.17
B+	90-92	3.33	3.83
B	87-89	3.0	3.50
B-	85-86	2.67	3.17
C+	82-84	2.33	2.83
C	79-81	2.0	2.50
C-	77-78	1.67	2.17
D+	74-76	1.33	1.83
D	70-73	1.0	1.50
F	Below 70	0	0

CUMULATIVE GRADE POINT AVERAGE

The Cumulative Grade Point Average is determined by dividing the total number of honor points awarded for each final grade of a semester and earned during regular semesters by the number of credits attempted. Summer school and other recovery credits, as well as college credits, are recorded on the permanent record and are used to determine the grade point average. High school courses taken at the middle school level accredited school are recognized as high school credits; the final grade awarded for the course will appear on the student's permanent transcript and will be considered in the determination of credits required by the State of Indiana for graduation.

CLASS RANK

The Cumulative Grade Point Average determines a student's class rank. For students who transfer into Seccina (the student begins taking classes after the start of Freshman school year), class rank for that student will be calculated on grades earned starting with the student's first year at Seccina school year.

HONOR ROLL SCALES

The High Honor Roll is determined each quarter and/or semester by including all students with a 3.5 GPA for that grading period. Students with a 'C' or lower in any class cannot be on the High Honor Roll. The Honor Roll is determined by including all students with a 3.0 GPA for that grading period. Students with a 'D' or 'F' in any class cannot be on either Honor Roll.

Some classes offered at Seccina Memorial High School are weighted, require additional work, and serve to challenge students to extend themselves. Each earns an additional half honor point.

All-School Masses are held on a variety of days, depending on Church feast days, memorials and Holy days. School is dismissed at 1:45 each Wednesday to all for professional development for faculty and staff.

SCHEDULE CHANGE

All classes are subject to availability. The student will be notified if the course requested is not available. Course changes will be made only for the following reasons: (1) academic misplacement as determined by classroom teacher, division chair, and administration, (2) medical hardship, (3) to maintain enough credits in required classes, (4) correction of school-based errors (clerical or administrative), (5) fulfillment of graduation requirements. **Schedule changes, for the reasons mentioned above, can be obtained by having the student speak to their school counselor and may only be requested during the first two weeks of each semester.**

PROGRESS REPORTS

At the mid-point of each grading period, a progress report will be emailed to the parents of all students. We encourage parents to reach out to teachers at any time with questions regarding your child's grades.

STUDENT WITHDRAWALS

Students who withdraw from Seccina Memorial High School, for whatever reason, must have a withdrawal form completed by a parent and signed by an administrator. These forms can be obtained from the Admissions Office. Parents will receive, at the time of withdrawal, a copy of the withdrawal form and a copy of the student's current schedule. Official records will be sent to the student's new school upon request of the School Counseling Department. Official records and transcripts will not be released if the family has an outstanding balance on tuition or fees.

COURSE POLICY

A senior who is three or more credits short of the requirements of Seccina and the State of Indiana at the time of graduation may not receive a diploma at Commencement or be allowed to participate in Commencement exercises. Seniors who are one or two credits short may make these up in the summer session of the graduating year. Seniors in this situation will be allowed to participate in Commencement exercises; however, the diploma will be held until proof of completion and final passing grade is returned to the School Counseling Department. Failure of a subject required for graduation will need to be made up in summer school or with online coursework.

Students who transfer into Seccina Memorial High School and who have failed courses in their previously attended schools may be enrolled in comparable courses at Seccina to make up these classes depending on course availability.

All required courses must be attempted at Seccina Memorial High School. Courses, which need to be made up, and/or electives may be accepted from other schools with permission of the Principal or the Director of School Counseling.

All students are required to pass a minimum of two (2) years of a single world language to graduate from Seccina Memorial High School. Students in the Learning Differences Program not meeting this requirement may be eligible for a waiver based on the decision of the student's case conference committee.

LEARNING DIFFERENCES PROGRAM

This program is for students with special educational needs. To participate in the program, the public school district must first assess the student's need for special education services. The assessment results indicating the need for special education services must be current to qualify for accommodations at Seccina Memorial High School. If, based on the assessment results, a student qualifies for special education services the student is placed in the Learning Differences program. The Learning Differences Coordinator assists the student's other teachers by functioning as a resource to accommodate each individual student's learning needs.

ARCHDIOCESAN POLICY ON EARLY GRADUATION

High school seniors shall graduate from the Catholic High Schools of the Archdiocese of Indianapolis after they have earned the credits required by the State of Indiana, the given high school, and after they have completed eight semesters of attendance at said high school or, if a transfer student, enough semesters to equal four years.

Students who transfer into an archdiocesan high school within the Archdiocese of Indianapolis will be expected to earn credits required by that high school from the moment they enter. Requirements are not retroactive, except as mandated by state law; for example, Indiana State Law requires three credits of health and physical education, whereas some other states do not.

Should a senior decide to leave a given high school in the seventh semester to make up the last few credits at an evening school, the archdiocesan high school from which the student has withdrawn shall not issue a diploma to that person. Such withdrawal is to be considered a transfer.

COLLEGE ADMISSIONS

Current students submitting college applications must register with Indiana e-transcript service (www.parchment.com). The student must create a free account to have his/her transcript sent electronically to colleges nationwide. Students will need to request a transcript through e-transcript when applying and again upon graduation.

STATE OF INDIANA GRADUATION PATHWAYS

In 2018, the Graduation Pathways Panel published recommendations for the Indiana State Board of Education to create graduation pathway options for the established graduation requirements for students graduating in the class of 2023 and after. Students in the class of 2023 and after must satisfy all three graduation pathway requirements of a High School Diploma, Employability Skills, and Postsecondary-Ready Competencies.

NATIONAL HONOR SOCIETY

The National Honor Society is an organization founded in 1921 in order to foster scholarship, leadership, character, and service among secondary school students. Membership is limited to juniors and seniors who meet certain criteria in these four areas. Students who are academically eligible for membership will be notified by letter at the beginning of the school year and will be asked to submit information concerning their service and leadership activities. Only those who submit the required information will be considered. Teachers will be asked to recommend students with respect to character. Students who meet all of the criteria described below will be considered for membership to be determined by a committee of teachers.

Scholarship - The student must have a 3.45 or higher cumulative grade point average.

Service - The student must be able to describe and verify 30 hours of volunteer service to the school, the church, or the community.

Leadership - The student must be able to describe and verify two activities or situations in which he or she took a leadership role.

STUDENT RECORDS

All student records are kept confidential and accessible only to authorized school personnel for legitimate educational purposes. Student records consist of educational files and grade transcripts. Seccina Memorial High School maintains an educational file on each student enrolled. Each file contains records forwarded by the student’s former school, registration forms, immunization records, current transcript, and any other personal information which the school might acquire regarding the student during his/her attendance at Seccina. **Proof of immunizations required by state law must be on file for the student to remain in school.** The educational records of students who withdraw from Seccina prior to their graduation date are saved for the remainder of the academic year; the transcript is retained permanently.

Transcripts are records of a student’s final semester grades and standardized test scores for the period that he/she is enrolled at Seccina. A student’s total credits earned, class rank, graduation date, diploma type, and grade point average (G.P.A.) are also recorded on the transcript. Transcripts are permanent records.

When a student transfers from Seccina to another high school, a copy of his/her transcript and proof of required immunizations by the Indiana State Department of Health are necessary for enrollment. For a student to graduate, an official copy of the transcript must be on file at the new school. An official copy is one on which our school seal has been imprinted, and a school official’s signature appears. Upon written request from the proper school authority, the official copy may be mailed or hand- carried in a sealed

envelope if the following criteria are met:

1. Parent/guardian has officially withdrawn the student from Scecina.
2. Tuition account or any outstanding financial balances are current.

CUSTODIAL RIGHTS

It is the responsibility of the parents to share any official custodial information decided through the courts. Official custodial agreements will be kept in a confidential file. In the absence of any court document, the school will view each parent as having full legal custody of his/her child. In the absence of a court order to the contrary, non-custodial parents have the right to receive records about their child's academic progress or lack thereof. The school reserves the right to charge a shipping and processing fee for extra records sent to more than one home address. It is a great benefit to the child to have both parents involved in his/her education.

Scecina Memorial High School adheres to the Buckley Amendment (Family Education Rights and Privacy) regarding access to student records.

THE GERALD MATHENY COMMUNITY LIBRARY

The Gerald Matheny Community Library is a peaceful and inviting space to study, research, read, reflect, and teach.

TECHNOLOGY USE – ETHICAL AND RESPONSIBLE USE OF TECHNOLOGY

Our decisions in the implementation of technology are founded in our Faith and our mission to ready students for the world.

Through the ethical use of technology resources, students receive instruction on the proper use of digital information and services. Faculty and staff receive benefits by providing that instruction, ultimately enhancing their effectiveness as Catholic school educators and role models.

The Ethical and Responsible Use of Technology Policy (ERUTP) for Scecina Memorial High School is written with input from the Office of Catholic Schools in the Archdiocese of Indianapolis, Scecina's Board of Directors, students, staff and members of the Scecina Technology Committee. The policy is a part of the registration process for Scecina Memorial. The complete policy can be found on the school's website at <http://www.scecina.org/technology>.

The ERUTP contains a student pledge providing expectations, rules, and procedures for students to follow while using technology and related services designed for the Scecina Memorial High School community. In accordance with the student handbook, the expectations, rules, and procedures apply to students while they are on or off campus and while they are utilizing school or non-school owned technology. The scope of expectations includes matters pertaining to privacy, warranties, theft, vandalism, and consequences for misuse of technology resources. The ERUTP includes a copy of the agreement forms that students and parents are to review and sign during the registration process.

Students and staff are to honor the following expectations while using any technology resource (hardware, software, and services) provided by or licensed for Scecina:

- Use digital devices, networks, services, software, or other resources for educational purposes and activities. School issued electronics (e.g. Laptops, calculators, wired headphones) are the only devices permitted in the classroom and only with teacher permission.
- Keep own personal information, and that of others (including phone numbers, email addresses, home addresses, passwords and other similar type of personal data), private.
- Students may not use unauthorized websites to complete any school assignments/assessments. Failure to comply will result in a loss of credit for the assignment/assessment.
- At all times, show respect for oneself, peers, fellow community members, the school, the Archdiocese, the Church, and the values of the Catholic faith.

- Always provide credit to others for their creative ideas and works.
- Report to appropriate school staff the inappropriate use, theft or vandalism of any technology equipment or resources immediately.
- Consequences, in accordance with the student handbook, will apply whether on campus or off campus and whether utilizing school-owned/issued or personal devices, including engagement in any activity that would be considered inappropriate, threatening, derogatory, or defaming.

In total, the ERUTP highlights Scecina’s commitment to the ethical and responsible use of technology as we educate and nurture our students and staff to live as servant-leaders in the inspiring footsteps of Father Thomas Scecina.

If at this point there are any available parking spots, sophomores will be placed in a lottery system to determine who will receive the remaining parking places. Cars parked on Seccina property, which do not have a visible SMHS parking permit will be identified and may be towed. Students must present valid driver's license for the student to receive permit.

- If a cafeteria account becomes delinquent, all transcripts, report cards and official records may be held until balances are paid.

ATTENDANCE POLICY

Seccina Memorial High School considers the development of good attendance habits and punctuality as a vital and desirable undertaking. It is difficult for students to learn, collaborate with, and respect one another if they are not in class. The teaching-learning process builds upon itself. Research shows that educational achievement is directly related to attendance. Reading the material and performing satisfactorily on tests does not compensate for the loss of insight gained during class discussion, explanation, or supervised activities. Furthermore, every student contributes to every other student's learning; therefore, a student who is absent adversely affects a student who is present. A student who misses a day of school misses an education day that cannot be retrieved. It is imperative that students be in attendance each school day in order not to miss a significant portion of their education.

SMHS is also concerned about helping students develop a high-quality work ethic, which will be a significant factor in their success with future employers. One of the most important work habits that employers look for in hiring and promoting a worker is his/her dependability in coming to work every day and on time.

This is a habit SMHS wants to help her students develop as early as possible in their school careers.

The responsibility for the student's regular and punctual attendance to school and to class rests with the student and his/her parents or guardian. Only with parental support of this policy can students hope to develop responsible attendance patterns.

A student has one calendar day for each calendar day missed to make up work. It is the student's responsibility to find out what work was missed. Although teachers may notify students of missed work, it is the obligation of the student to ask.

School policy does not provide for any extension of Fall Break, Spring Break, or Christmas Break. The day(s) immediately preceding and following breaks will count towards the student's attendance total.

ABSENCE PROGRESSION (PER SEMESTER)

On the student's 2nd unexcused absence from each class, the classroom teacher will conference with the student.

On the student's 4th unexcused absence from each class, the parent/guardian will be notified by the Dean of Students.

On the student's 10th unexcused absence from each class, the student may not receive credit for the class. The Dean of Students and the Principal or President will review the student's attendance record and if absences have accumulated in other courses, the student may no longer be eligible for enrollment at Seccina. CODE OF CONDUCT

A high-priority goal at Seccina Memorial High School is to establish a climate in which all students are

treated with respect and the recognition of Christ within them so they can learn without disruption and interference. All Seccina students must realize that their conduct, no matter where they might be, reflects both upon their personal dignity and the dignity of all associated with the school. The guidelines for student conduct contained in this handbook have been established to set a standard of student behavior which will allow our school to accomplish, with maximum effectiveness, its primary purpose: the provision of the best educational opportunity for each of our students.

Any conduct unbecoming a Seccina student is considered a breach of discipline and exposes the student to the imposition of an appropriate penalty. It is the responsibility of each student to know and follow the guidelines set down herein.

The Student Discipline code outlined in this handbook will apply when a student is:

- On school grounds before, during and after school hours.
- Off school grounds at a school activity, function, or event.
- Traveling to or from a school activity, function, or event.
- While using the internet to participate in an online class or activity.
- While off-campus and/or outside of school hours, but negatively impacts a member of the school community, especially with intentionality.

The Seccina Athletic Handbook has additional expectations that will be provided for student athletes.

DEFINITION OF TERMS:

Students are given 24-hour notice of their detention.

It is the student's responsibility to make necessary arrangements with his/her employer, coach, etc. when they are assigned a detention. Missing a detention will result in an additional hour of detention.

Occurs when a student is removed from the classroom setting and remains under the supervision of a Seccina administrator for a period of time not exceeding five days. Classroom work, tests and quizzes will be accepted during an In School Suspension. If the student's suspension includes the weekend, the student may not attend school sponsored event or extracurricular activity over the weekend. The good name, reputation and personal safety of each student, faculty and staff member is vitally important. In order to protect students, employees, and the good name and reputation of other students, school employees and Scecina Memorial High School, each student is expected to treat the good name and reputation of other students, school employees and the school with dignity and respect and not engage in any activity or conduct, either on campus or off campus, that is in opposition to this policy and/or inconsistent with the Catholic Christian principles of Scecina Memorial High School, as determined by the school in its discretion.

Any derogatory, slanderous, hostile or threatening remarks or actions directed toward any of the above by a student will be seen as a violation of this policy and will be viewed as an extremely serious matter, whether it is done physically, verbally, or electronically through the use of a home or school computer, phone, iPad or other electronic media or by remote access during school time or after hours. PLAGIARISM AND ARTIFICIAL INTELLIGENCE

Plagiarism is defined as using someone else's ideas or phrasing and representing those ideas or words as one's own. Whether this is done through carelessness or on purpose, it is an illegal offense known as plagiarism. It is the student's responsibility to understand plagiarism and the consequences.

Numerous programs using Artificial Intelligence (AI) will allow students to type in key words and have the computer complete the assignment for them. While there may be times that it is appropriate for students to work with AI in the classroom, all assignments given by teachers are expected to be the original work of the student.

Examples of plagiarism are as follows:

- * Submitting a research assignment/paper without a works cited page and/or without proper citation.
- * Copying three or more words from a source without using quotation marks and citing the source.
- * Using the original idea from another source without giving credit through citation.
- * Using a paper/assignment that is already published on an electronic source or printed source.

The consequences are cumulative throughout the school year and span across all of a student's classes.

The consequences for plagiarizing are as follows:

First Offense:

1. Teacher informs parent(s) of offense.
2. Student receives a zero on the assignment.

CLASSROOM RULES AND REGULATIONS

Each individual teacher may establish his/her own classroom rules in addition to those outlined in this handbook. Repeated failure to follow a teacher's rule(s) may result in a referral to the office for corrective behavior.

CELLULAR PHONES AND OTHER ELECTRONIC DEVICES

Students may not use cell phones or electronic devices at any time during the school day unless given specific permission from their teacher. Cell phones may be used before 8:00am and after 2:45pm but may not be used during lunch periods or in the hallways during the school day.

Use of a cellular phone by students during the school day, when not authorized by a teacher or administrator, may result in the cellular phone being confiscated for the remainder of the school day and stored by the Dean of Students. **The Dean of Students, Principal, or the President has the right to view information on any cellular phone that has been confiscated.** Parents or guardians may need to retrieve the cell phone from the Dean of Students' office. All students who retrieve their cell phone from the Dean's office will receive detention.

Digital music players, full-ear headphones, and wireless earbuds are not permitted to be used during the school day. Wired earbuds are permitted and may be used when permitted by the classroom teacher. Earbuds of any kind are not to be worn during passing periods in the hallways or stairwells. Confiscated earbuds may be picked up at the end of the day from the Dean's office and will be returned to the student with a detention.

Cameras are only to be used in school for class assignments, class projects or for teacher or administrator-approved occasions. Videotaping and photography without student or staff permission is prohibited. Under no circumstances should cameras (including cell phone cameras) be used in locker rooms or bathrooms. Students are expected to always comply with data privacy.

FIGHTING

Fighting or provoking a fight is never in order. Students can avoid a suspension for engaging in a fight if they select an appropriate alternative such as: (a) walking away from the person who wishes to fight and refusing to engage in the altercation, or (b) seeking the help of a staff member to avoid a fight.

Secena students who bring a guest to Secena events will be held accountable for any violations of school policies or damage to property that the guest may incur.

FORGERY

Forgery is the act of falsely and fraudulently marking or altering a document or statement (i.e. physician note, parent note, passes, etc.) or falsely representing a situation.

HALL PASSES

All students must have passes visible while in the hallway. Passes are subject to check by faculty and staff.

INSUBORDINATION

Insubordination consists of intentional acts of students who fail to comply with the reasonable directions of the teachers, supervisors, or administrators during any period of time when he/she is under the school's supervision. This would include arguing or talking to a teacher, supervisor or administrator in a rude and unacceptable manner.

OBSCENITIES

Obscenities are remarks which are written or spoken and are offensive to the prevailing notions of decency. Gestures, pictures, apparel, and student conduct may be offensive to prevailing notions as well. Severity of the obscenity will be determined by the Dean of Students or Administration and may result in an immediate out of school suspension.

PUBLIC DISPLAY OF AFFECTION

While at school or school sponsored activities students are expected to conduct themselves as ladies and gentlemen. The school is not the place for social relationships that may offend or embarrass others. Holding hands, kissing, walking arm in arm, etc. are not acceptable at school.

HARASSMENT

Seccina Memorial is committed to an environment for all students that is free from all forms of harassment. All students and staff are to be treated with dignity, respect and courtesy. Harassment is about having power over another individual and it comes in two forms: Making inappropriate requests (Quid Pro Quo harassment) and making another's work here at school more difficult than it has to be (Hostile Work Environment).

Any inappropriate comments, non-verbal behavior, jokes, notes, e-mails, pictures, drawings or sketches, gestures, touching, threats, etc. relating to a person's race, religion, gender, age, or ethnic background, which fail to respect the dignity and feelings of an individual, are absolutely unacceptable.

This policy covers students, teachers, administrators, and any other Seccina staff member. If a person feels he or she has witnessed harassment, that person **must report the activity to the school principal, president, or other trusted administrator immediately.**

DISCIPLINARY HEARING COUNCIL

The Disciplinary Hearing Council (DHC) will conduct hearings for students who are being considered for expulsion or exclusion from Scecina Memorial High School for a Class 3 offense or repeated Class 2 offenses.. The DHC consist of at least four members: the President, Principal, Assistant Principal, and the Dean of Students. Additional council members may be invited based on the student situation.

If a Disciplinary Hearing is deemed necessary, the following steps will be taken per Archdiocesan policy:

- 1) A thorough investigation of the misconduct by school officials. The parents and student will receive a Notice in writing listing the infraction and intended penalty.
- 2) An offer of a formal meeting with school officials for both the student and parents/guardians. This meeting shall take place within a reasonable period of time following the notice (i.e., five (5) school days).
- 3) The formal meeting shall include: a written recitation of the infraction(s) and, if the student denies the charges, a summary of evidence; an opportunity for the student and parents to tell their side of the story, to present new evidence and to question the reasons for the intended expulsion.

Students who engage in bullying behavior are subject to disciplinary action. This type of harassment will not be permitted at Seccina Memorial High School.

SMOKING/VAPING POLICY

In keeping with the school's objective to promote good health habits, and because smoking/vaping can represent the immediate threat of fire and long-range physical harm to others, by law it is therefore prohibited at all times on school grounds or within a 2-block area of school property and off-school activities.

SANCTIONS:

1st Offense	1-day suspension	Parent Conference
2nd Offense	2-day suspension	Parent Conference
3rd Offense	3-day suspension	Parent Conference and attendance at smoking/vaping program

Failure to comply with these sanctions will result in a Disciplinary Hearing, which could include additional consequences up to and including expulsion.

FIREARMS

Only sworn law enforcement officers are permitted to bring firearms and other weapons inside the building or on school grounds.

DRUG AND ALCOHOL USAGE

Seccina Memorial High School believes that students deserve the guidance and education needed to become the persons that God created them to be. Drug and alcohol use have serious detrimental effects on the intellectual, physical, and moral development of adolescents and young adults. The impact of these effects can last many years over the course of one's life. At Seccina, we recognize that prevention and intervention of drug and alcohol use is an important part of our ministry to educate students in spirit, mind, and body. The purpose of this policy is threefold: (1) to provide for the health and safety of students; (2) to undermine the effects of peer pressure by providing a legitimate reason for students to refuse to use illegal drugs and alcohol; and (3) to encourage students who use drugs and alcohol to participate in treatment programs.

PROHIBITION OF DRUG AND ALCOHOL USE

It is a violation of the disciplinary code of Seccina Memorial High School to possess, provide to another person, use, or be under the influence of any substance, which is or contains any banned substances. Non-alcoholic beer and wine substitutes and drug look-alikes and substitutes are also in violation of the disciplinary code. **All prescription drugs and over-the-counter medicines must be properly labeled**

and turned into **the main office for storage and distribution. The office must have a signed *Permission to take Medication on file for students to take medication during the school day.*** This requires that they remain in the bottle or other container as originally dispensed from a legally authorized pharmacy or medical professional. Violation of any provision of this policy is a class three offense and may result in out of school suspension, exclusion, or expulsion. Whenever a student is impaired, he or she will be subject to the disciplinary code.

DRUG AND ALCOHOL TESTING

If a student consumes, possesses, or distributes alcohol or any illegal drug/banned substance before, during, or after any school activity, his/her parent/guardian must report to the activity to assume care of the student. A school representative will inform a parent. School has the right to perform a breathalyzer and/or drug test, either on site at the time of the incident, or within a reasonable time thereafter, at school and at the discretion of the school. Refusal to submit to testing may result in suspension or expulsion.

REASONABLE CAUSE FOR DRUG AND ALCOHOL TESTING

The Administration of Seccina Memorial High School has the right to perform drug and alcohol testing on any student appearing to be under the influence of drugs, mood-altering substances, or alcohol, as determined by school officials who observe odors, pupil changes, slurred speech, lack of normal coordination, or other observable behavior that is an indication of being under the influence. Reasonable cause also includes being in the possession of drugs, alcohol, drug paraphernalia, or any other materials intended for consumption, sale, or distribution of banned substances.

DRUG TESTING PROCEDURE

Administration has the right to perform drug and alcohol testing before, during, and after all school-sponsored activities. Parents will be notified of the testing. Notification may not necessarily be done prior to testing. Drug testing will be done by an approved agency. If a student tests positive for drug use, he/she may be subject to the provisions of the disciplinary code, which may result in suspension, exclusion, or expulsion. In any event, proof of enrollment of the student in a certified alcohol and/or drug assessment/evaluation program, approved by the school, must be submitted before readmission to school may be considered. Parents/guardians/students of legal adult age must give permission to the school to exchange information with the drug assessment/evaluation program and its counselors or other employees. The intent of this exchange is to ensure compliance and readiness to return to school. It is not intended to be nor will it be used to gain private or personal information revealed in counseling sessions. Students must follow the recommendations of the assessment/evaluation program. If the assessment/evaluation recommends a treatment program, the student must participate as a condition of returning to school. Continued attendance at school is based on reports to school officials by the treatment facility.

Seccina Memorial high school will pay the cost of a drug test initiated under reasonable cause provisions that come back negative for drug/banned substances use if the evaluation/assessment indicates no drug/alcohol dependency. Any test that comes back positive will be at the cost of the parent/guardian. Any retesting will be done at the expense of the parent/guardian. Students participating in athletics are also required to comply with the provisions and policies of the athletic handbook.

DRIVERS LICENSE

1. Has at least two (2) suspensions from school during the school year.
2. Has been expelled from school.
3. Has been identified as a habitual truant.

Students already having a driver's license may have their license invalidated for the above causes.

Any students whose license/permit has been invalidated by the State Bureau of Motor Vehicles may appeal to the Bureau of Motor Vehicles pursuant to Indiana code 9-2-1.

DRESS CODE

The purpose of the dress code is to encourage neatness and a sense of appropriate attire in each student, to render financial savings to the parents, and to be a tasteful, respectful symbol to the local community. All students will observe dress regulations before entering their first period classes, during the school day, and until after announcements conclude at the end of the day.

FLIP-FLOPS, SANDALS, CLOGS, "HEELY'S", SLIPPERS, OR SHOES WITHOUT AN ENCLOSED HEEL
