CAPITAL CAMPAIGN  
FOR SECINA MEMORIAL HIGH SCHOOL

**ACCOUNTABILITY REPORT**  
**SUMMER 2024**

“The successful completion of campaign projects has brought me profound gratitude! I am grateful for our generous donors who, through their financial support and energetic devotion of expertise, time and effort, made the campaign a remarkable success. I am inspired to have the opportunity to support this extremely important initiative that will serve the Scecina families, students and the community for many years, and further strengthen Scecina’s position as the Pride and Beacon of Hope for the Eastside.”

## IT'S OUR TIME | A MESSAGE FROM SCECINA PRESIDENT JOE THERBER

Dear Scecina Community,

The Lord has blessed our school community once again! Hundreds of generous Scecina community members have poured forth overwhelming generosity so that our school ministry may thrive well into the future through the **Our Faith, Our Journey, Our Time** Capital Campaign.

This capital campaign accountability report is a message of appreciation to you. The testimonials, summary of financial performance, and illustrations of valuable campus improvements all serve to demonstrate that the Scecina Community supports our future in faith and hope.

The spirit of Father Thomas Scecina inspired every donor to give that little extra and help us exceed our \$6 million goal. In the end, we raised \$7.6 million to support a wide range of initiatives. One inspiring fact of this capital campaign continues to be your amazing faithfulness to the pledges that you made. Your 98.5 percent on-time pledge fulfillment performance is yet another outstanding snapshot of generosity and devotion to Scecina. As a result, we have completed all the campaign construction and endowment projects without borrowing a dollar!

I want to extend a particular thank you to every campaign donor and volunteer, the Scecina Board of Directors and committees, the Archdiocese of Indianapolis leadership, the Scecina faculty and staff, and Scecina students – all of whom are at the heart of the exemplary enhancements you will see in the pages ahead.

**Our Faith, Our Journey, Our Time** is the first capital campaign of its kind in Scecina's grand history. We who serve today are the beneficiaries of our forebearers' prayers, labors, and generosity. May we take a moment to offer a silent or spoken word of thanks to them, whether living or deceased, for the foundations in faith that they have given us.

Thank you very much for your dedication to the ongoing mission and ministry of Scecina Memorial High School, where we seek to live as servant leaders, faithful to the Gospel in the inspiring footsteps of Father Thomas Scecina.

Sincerely yours,

Joe Therber  
President

## *Our FAITH, Our JOURNEY, Our TIME*

### CAMPAIGN PRAYER

Heavenly Father,  
thank You for giving us Your Son  
and deepening **Our Faith**  
through a personal relationship with Him.  
During **Our Journey** in life,  
You reveal Yourself to us through  
the love and support  
of people around us.  
You have blessed us by  
the service and sacrifice  
of Your servant, Father Thomas Scecina.

Now is **Our Time** to be this love and support  
for the youth of our community.  
As our ancestors sacrificed for us,  
now is **Our Time** to step forward in faith  
as we invite and give  
the gifts of prayer, service,

and financial support  
for our Capital Campaign.

Fill our hearts with gratitude to You;  
Help us to trust in You;  
Motivate us to generosity  
of time and treasure  
in Your name.

Through the intercession of our  
Blessed Mother, Mary,  
may our prayer, service, and generosity  
lead to a blessing upon  
the present and future students  
of Scecina Memorial High School.  
We ask this through Christ our Lord.

Amen.

**“Congratulations to the entire Scecina community on the successful completion of this tremendous capital project. Thanks to everyone who donated to this project financially and through prayer. Scecina Memorial High School has been a light shining on the Eastside of Indianapolis for over 70 years. The upgrades and additions in this project are important for Scecina to continue providing a high-quality Catholic education for the next 70 years.”**

## **NEW ATHLETIC AND ACTIVITY FIELDS**

The new athletic and activity complex features artificial turf fields for baseball, football, soccer, softball, and lacrosse; a perimeter track for running and walking; press box; concession stand and restrooms; and a team dressing room. The natural grass turf of the original football field has been completely replaced, complete with an irrigation system to ensure its long-term durability for future athletic and recreational activities. This new facility will host Scecina, Catholic Youth Organization, and other important community events.

**“The new athletic complex is amazing. We now have one of the best facilities in the city, in my opinion. You can do so much with the new complex, and it was awesome to be able to play on the new turf.”**

**DAVID MENDEZ '24  
2024 BASEBALL CITY PLAYER OF THE YEAR**

## **A NEW CHAPEL**

The new Seccina chapel, located in the heart of the school building, can accommodate 130 people for class and community Masses and prayer services. It includes a reconciliation room and many items from the original chapel in St. Francis Hall.

**“The peacefulness of the chapel offers a respite to the busyness of the day. I think this provides a constant reminder to us of our purpose and mission at Seccina. We are here not only to provide a quality education to our students, but also to deepen their relationships with Jesus Christ.”**

**FATHER JIM FARRELL  
SCECINA CHAPLAIN COORDINATOR**

## **A MODERN AND INSPIRING ENTRANCE**

The 70-year-old front entrance and front yard underwent a full beautification and revitalization, resulting in improved safety, security, and accessibility in accordance with the Americans with Disabilities Act (ADA). The upgrades include visitor-friendly parking, new landscaping, lighting, seating, and a welcoming electronic sign.

**“As I drive in, I see the attractive and new front of the school. We have visitor parking within steps of the safe and secure entry. The beautiful landscaping is an inviting welcome to our campus. I am so thankful that we have such generous alumni and friends. We have a vibrant campus that is a pillar of the community, making it ‘The Pride of the Eastside!’”**

**KURT GULDNER**  
*SCECINA TEACHER*

## **NEW WEIGHT TRAINING ROOM**

For student safety and school-day accessibility, we have rebuilt and relocated the weight training room to the school building and have modernized its equipment. This renovation benefits all students and student-athletes who use the facility.

**“The Seccina Crusaders have always been proud of their school.**

**These beautiful new facilities will provide more opportunities and have injected even more enthusiasm among students, alumni, and the entire Seccina community.”**

**JASON KEHRER '88**  
*ATHLETIC DIRECTOR*

## **FATHER TOM ACADEMIC EXCELLENCE ENDOWMENT FUND AND SCECINA FACILITIES ENDOWMENT**

The Father Tom Academic Excellence Endowment Fund is dedicated to advancing academic programs, supporting exceptional faculty, and providing need-based tuition assistance for students who have significant financial needs.

The Seccina Facilities Endowment plays a crucial role in preserving and enhancing our 70-year-old campus and new facilities to create an optimal environment for learning, participation, and innovation.

“We were excited when the Seccina capital campaign was announced. The facility has always been a wonderful place but taking it to another level at this time was critical. The school provided me (John) with a concrete diversified educational foundation that has guided me throughout my life. Educating our youth is a priority to us, and Seccina’s ability to offer that same foundation put the school at the top of our financial donation list.

Seccina Memorial is a high school on the move. The teachers, coaches and administrators are taking it continually to higher and higher levels. We are excited that our financial support will help to continue this upward trend.”

# LOOKING BEYOND

## *Our* FAITH, *Our* JOURNEY, *Our* TIME

Together, we have achieved unprecedented success, and now is the time to set our sights on the future once again. We are committed to building on our mission and traditions as we shape the future success of our incredibly gifted and diverse student and family community.

During the 2024-25 school year, we will enthusiastically begin creating a new mission-based Strategic Growth Plan. We are swiftly moving forward this year with new career technical education opportunities in business, accounting, marketing, computer science, and digital design, with more to come.

In all our endeavors, we value the spiritual growth and development of our students, integrating our Catholic faith and teachings into every aspect of their education.

Thank you for being an integral part of our journey into the future. Your continued involvement in Secina is a vast blessing for our future students. Together, we will continue to make meaningful impact, guided by our faith and trusting in the Lord's never-ending providence.

# THANK YOU!
