Supporting the ministry of Catholic education

Seccina's Catholic mission is to educate our diverse community of students to become servant-leaders who positively impact the future of our Church and our world. We fulfill this mission by teaching, living, and spreading Christian values, by providing an exemplary college and life preparatory education, and by fostering holistic personal development in all programs.

Please reflect on our 2024-25 Seccina Fund priorities and how you may be able to help our students. Throughout the year, we will invite our community to help these young people continue to grow through your prayer and financial support. Please know that every gift—regardless of amount—truly supports our students now and into the future.

Thank you very much for your prayers and support.

THE SCECINA FUND 2024-25 GOAL
\$1.15 MILLION

THE SCECINA FUND 2024-25 GOAL

\$1.15 MILLION

The Scecina Fund is our annual appeal inviting alumni and friends to contribute financial gifts in support of our students and educators.

Your investment in The Scecina Fund for 2024-25 will help fund the following ministry priorities.

CATHOLIC CULTURE

Our Foundation

A great Catholic school builds Christian community and upholds the dignity of every individual in all activities. Scecina's new chapel invites students into an intimate Mass experience and a convenient place to pray or meditate. Every year, all students take Catholic Theology class, perform community service projects, and can experience a Christian retreat away from the activities of their daily lives.

Many expenses are rising, especially venue rental and transportation increases of more than \$25,000 for class retreats.

TUITION ASSISTANCE

Investing in Youth

Our Catholic faith motivates us to make Seccina available to all our students, regardless of family income or circumstances. Seccina provides tuition assistance to 99% of all students through merit scholarships and/or need-based financial aid.

The Indiana Choice Scholarship (voucher) provides about 40 percent of the full Seccina tuition, and most families need much more support. FACTS, the company we retain to assess families' financial aid applications and ability to pay tuition, finds 45 percent of our families who apply for aid cannot afford a single tuition payment.

STUDENT LIFE ACTIVITIES

Teaching Leadership Skills

Seccina is distinguished by our mission to educate the whole student. Student life activities provide students vital lessons in leading through service, teamwork, discipline, resilience, and healthy lifestyles. Your investment in student life provides character-building opportunities for students to explore and grow their God-given talents.

ACADEMIC EXCELLENCE

Empowering our Students

Seccina teachers work diligently to understand and meet each student's unique learning style and to prepare each student for a bright future, whether that's in college, a career, or military service. We offer college preparation courses, including honors, Advanced Placement, and dual credit; counseling services; English language learning classes; and a learning differences program.

This year, Seccina has increased services for English Language Learners and added career concentrations in marketing, accounting, computer science, and media communications.

CARE OF OUR CAMPUS

Looking Good

Your investment supports our efforts to improve and maintain facilities to optimize students' experiences. Serving young people, their families, and their teachers requires faithful upkeep of our buildings and grounds. Our pride in Seccina shows in the ongoing care and maintenance of our campus facilities.
